WHY WE ARE THE BEST

"I was initially skeptical to use a flat-fee listing service as opposed to a full-service broker to sell my property. My concerns quickly faded as I worked with Bob and he patiently and professionally walked me through the process. He answered all my questions and made the whole experience so much easier than I would have thought. I sold my house within a week of listing it, and I saved \$16,000 in commission! I would work with ChicagoFlatFeeListing.net again in a heartbeat!" - Katherine, Evanston
